Delight thyself also in the LORD; and he shall give thee the desires of thine heart (Psalm 37:4).

Jen's Salvation

Through my teen years I thought I had been saved. Fear and doubt made me realize I was not saved. In 2007 I started classes at West Coast Baptist College (WCBC) working towards my Bachelor's degree in secondary education. My heart's desire was to be a school teacher. In 2008 Pastor Kurt Skelly preached a phenomenal message on Christian Pretenders. Boy, did that grip my heart! It was that day in September when I asked the Lord to come into my heart and save me. I graduated from WCBC in 2011.

Seth's Salvation

I grew up in Uganda as a Missionary Kid. In 2005 I was able to be part of the CAMP BIMBI SMART team to Zambia and Tanzania. On that trip God spoke to my heart about my salvation. I remember standing on the slippery bridge overlooking Victoria Falls and thinking if I were to fall off this bridge I would split hell wide open. That weight felt like a ton of bricks on my chest like I had never felt before. I went to Brother Baughman and he suggested I read 1 John. Every time I came across 1 John 5:13, "That ye may know" kept jumping out at me. So, I went back and told Brother Baughman that I did not know. He took my Bible and led me through the Romans Road. I asked the Lord to come into my heart and be my Savior.

Holding Forth The Word of Life

Dear Pastors,

September 20, 2014

Greetings from the Pearl of Africa. It is with great joy that I write this recommendation letter for Brother Seth and his wife Jennifer. I encourage you to allow Seth to present their ministry to you and your people. After seeing their presentation and heart for the Ugandan people, we trust that God would lead you to seriously pray for them and if God leads, to financially support them.

I have had the privilege of watching Seth grow up on the mission field of Uganda, East Africa. I was able to work closely with Seth and his father in Uganda for several years. Because of his experience, Seth has an understanding of mission life, both of growing up there and also working in the ministry, that many do not have. I believe that they would be a great asset to your mission outreach.

May God bless and give you wisdom in your service for our Lord.

Because of Christ,

Bryan L. Stensaas

Calling to Uganda

In Seth's early teens, his grandparents came to visit. He asked his grandpa one day what he should do with his life and his response was, "Seth, if you want to be a missionary, then you should start asking the Lord to call you back to Uganda since you already know the culture." So that night, he started praying and asking the Lord that if He wanted him to be a missionary, He would call him back to Uganda.

On one of their furloughs, Seth was able to attend CAMP BIMBI, a ministry of Baptist International Missions, Inc. During one of the sessions he asked, "How do I know if God is calling me back to Uganda or is it my wanting to go back home?" Seth had been praying about two options for his future. Missionary Bob Green answered with Psalm 37:4 and Seth knew in his heart that God had called him back to Uganda. The Lord confirmed that call to Uganda using Matthew 9:47-48 when he was on the SMART trip.

LETTER OF RECOMMENDATION

September 2015

Dear Pastor,

It is my privilege and joy to write a letter of recommendation on behalf of such a dedicated Christian couple, Seth and Jennifer Demarest. I have known this couple for a number of years. Seth's parents are missionaries to South Africa and now Seth and Jennifer have obeyed the call of God in their own hearts and lives to take the precious Gospel of Jesus Christ to the field as well. Having grown up in Africa will give Seth a unique advantage as they return to serve the Lord there.

Ever since Seth has been a part of Crossroads Baptist Church, he has faithfully followed and served the Lord. He has a most willing spirit and humble heart. It has been my joy to see both of them grow, to clarify and deepen their burden, to sharpen their skills, and diligently prepare for the work God is calling them to do.

You will enjoy their presentation and their presence. They will be a blessing to you and your church. Crossroads Baptist Church supports and endorses them completely! It is with great confidence that I recommend them to your church for consideration!

Your Co-laborer in Christ,

Pastor Bob Morgan

growing together in Christ

February 2015

Dear Pastor,

It is a joy today to recommend to you **Brother and Mrs. Seth Demarest** as missionaries to Uganda. Seth grew up in Uganda as a missionary kid, and God is leading him back there to serve Him full-time in spreading the Gospel.

Seth and Jennifer have been faithful, active members of Lancaster Baptist Church during their years of college training. They are both graduates of West Coast Baptist College. Seth has exhibited a servant's heart and an outstanding testimony for the Lord. They are faithful soulwinners and godly Christians with a heart for God, church and family.

Brother and Mrs. Demarest greatly desire to reach the lost in Uganda. I whole-heartedly recommend them to you for your prayerful and financial support and trust that you will consider taking them on as your missionaries.

Sincerely in Christ,

Dr. Paul Chappell
